

## Sleeping Bag Agreement

I have inspected sleeping bag # \_\_\_\_\_ and have paid a \$40 plus a \$15 deposit to rent it. Except as noted below I find it to be in good condition. In order to keep it that way I agree to the following:

1. I will always keep the bag out of the dirt by using a ground cover under my ensolite pad.
2. I will not "leap frog" around camp or roll over friends while in my bag.
3. I will be careful with the zippers, making sure not to catch anything in them, and by always zipping it carefully using the inside zipper.
4. To get my \$15 deposit back I will use Spray and Wash on soiled areas and then wash the bag inside out in a **front loading** washing machine and only **air dry** in the dryer. (following manufacturer instructions)
5. I will return the sleeping bag on \_\_\_\_\_ between 9am-12noon to get my deposit back.
6. I understand that I can keep the backpack if I pay an additional \$0 and forfeit my deposit (stuff sack and pad not included and to be returned)
