BACKPACKING. . .

For the past 38 years I have taken thousands of students, friends, and others on backpack trips through the Sierras. For this summer, 2017, I have planned a great backpacking experience for 62 middle school, high school, and college students. My program is designed to provide experiences in planning a backpack trip, physical conditioning, proper use of stoves, tents, backpacks, sleeping bags, footwear, map reading, first aid & safety, star watching, nature lore, fishing, swimming, campfires, and exploring the beautiful Sierra Nevada Wilderness. Please contact me, if you need more information than provided in this flyer.

Scott Rinehart
