SECTION A "Mammoth Loop" grades 6* (12 participants, 3 leaders per section)

This section is designed for beginning and intermediate backpackers. The total backpacking distance is only 35 miles, so there will be abundant opportunities to fish, swim, explore, and day hike along the famous John Muir Trail. Everyone spends the first night camping in the Mammoth area. At the **May 18** meeting, participants are divided into cooking/sleeping groups of four, with an experienced leader for each middle school group, to provide leadership and coaching, on the backpack trip, and during the planning meetings.

SECTION B1 & B2 "Crossing the Sierra" grades 7-8* (12 participants, 3 leaders per section)

This section is designed for beginning and intermediate backpackers. Both sections will start in the Mammoth area and end in Yosemite Valley, after walking 60 miles. They will camp at some of the most beautiful locations in the Sierra and have a chance to climb Half Dome. Both groups will follow the John Muir Trail via Donahue Pass before joining the headwaters of the Merced River. At the **May 18** meeting, participants are divided into cooking/sleeping groups of four, with an experienced leader for each middle school group, to provide leadership and coaching, on the backpack trip, and during the planning meetings.

SECTION C "Duck Pass to Pine Creek" grades 9 & up*(13 participants, 2 leaders)

Most C trip participants have been backpacking before. Experienced adults, in a ratio of 1:6, lead this group. Total trip distance is approximately 70 miles.

Most D trip participants have been backpacking before. Experienced adults, in a ratio of 1:6, lead this group. This trip will start in the Mammoth Lakes area and head along the JMT north through the Ansel Adams Wilderness and into Yosemite before exiting in Tuolumne Meadows. Total trip distance is approximately 55 miles.

Please note, that no one is allowed to go on this trip without attending the three meetings listed at the top.
